NEW REPROFLEX 1417 LENS

THE ONLY EXPANDING AND COMPRESSING LENS WITH A UNIVERSAL CAMERA MOUNT

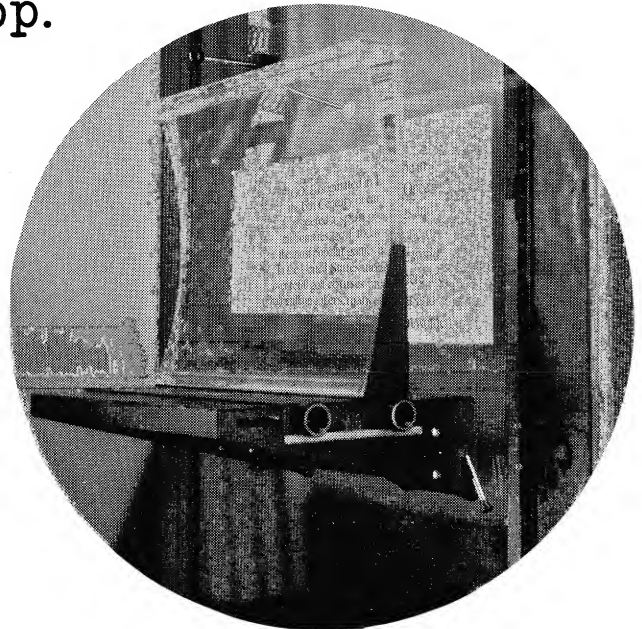

Now with the addition of this new accessory you can use your present camera to change art work or type copy — Compress or Expand in one direction and maintain the other dimension.

Designed by people who have provided this type of work as a trade service for many years. This lens can add the versatility of a staff of artists to the smallest shop.
